

ARTIST APPLICATION

Who can apply?

We welcome artists of all ages to apply.*. All artists must reside in Boundary County. Artists do not need a formal studio- it can be any space you use to create art.

*If under 18, you must have the permission of a parent or guardian to apply, as well as a parent or guardian present during the tour.

Cost

The application fee is \$25

The participation fee is \$150

We strive to keep expenses low while putting together a well-attended and organized event. Fees ensure successful tour planning by contributing to advertising through newspapers, social media, posters, and postcards and event materials such as signage. Additionally, each artist will be featured on a website that includes a short artist bio, image, and map of the studio location. A print brochure will be made with a map and 1 image of the artist's work. The artist participation fees will not alone cover the tour costs, and community sponsorships are being solicited as well.
